Thank You

The Class of 2016 would like to take this opportunity to show our thanks and appreciation to the entire staff and administration for four wonderful years at Clinton High School.

Thank you to our class advisors, Mr. Howard and Mr. Ingano, for their support. We would not have had such a memorable high school experience without your enthusiasm and dedication to our success.

Thank you to Mr. Hastings and Mrs. Kach who made CHS our home.

We would also like to thank Mrs. Solar, Mrs. Pupecki and Mrs. Moran, in the Guidance Department, who helped us with our many college questions, scholarships and plans for the future, and to Mrs. Sweatland and Mrs. Schmidt, who shared in our achievements and arranged a beautiful Graduation ceremony.

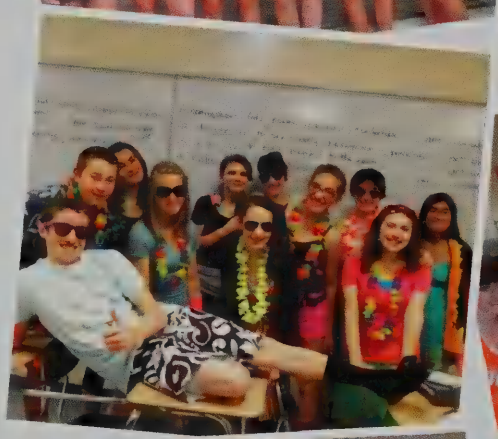
FRESHMAN YEAR

The last four years of our time as high school students began when the class of 2016 entered Clinton High School in the fall of 2012. We had no idea what to expect during the next four years of high school, but discovered the results were well worth the challenges along the way. We were no longer confined to a single class of people but rather an entire school of individuals, all of which became our family. In our first class election we elected Andy Duggan as President, Abi Reyes as Vice President, Allie Wickham as Secretary, and Carly Elworthy as Treasurer. The Student Council Representatives were Maria Araujo, Toni Souza, and Danica Felix. Freshman year started and ended in the blink of an eye and with the help of our Class Advisors, Mr. Howard and Mr. Goulet, we made it through the year and began our preparation for Sophomore year.



SOPHOMORE YEAR

Though we were already familiarized with the halls of CHS, we were not yet sure what Sophomore year would be like starting in the Fall of 2013. Things were already different when Frankie Matos was elected president of our class. Abi Reyes became Vice President, Maria Araujo, Secretary and Carly Elworthy, Treasurer. The Student Council Representatives were Toni Souza, Miriam Mendez & Bridget McEvilly. As Sophomore year quickly but surely came to an end, Junior year and all its exciting features, was just around the corner.

JUNIOR YEAR

Come late August of 2014, we were finally considered upperclassmen as we entered into Junior year with a sense of superiority hanging off our shoulders. We elected Frankie Matos to continue his role as President, Maria Araujo as Vice President, Abigail Reyes as Secretary and Carly Elworthy as Treasurer. Our Student Council Representatives were Toni Souza, Bridget McEvilly and Greg Lucena. Our Mardi Gras-themed Homecoming dance started off our school year, and our stellar role in the 2014 Spirit Week proved our overall worth as a class. We won ourselves second place. Our Prom was held on May 9, 2015 at Wachusett Mountain and we enjoyed the Westboro YMCA for our after-prom party. After prom ended, the school year ended just as quickly, and after being considered upperclassmen for just one year, we were as ready as ever to be the leaders of the school.

SENIOR YEAR

In August of 2015 we attended our last first day of high school, and our senior year began just as quickly as it ended. Everyone says it, but it's impossible to realize how fast high school goes until one experiences it firsthand. We elected Frankie Matos as President, Maria Araujo as Vice President, Toni Souza as Secretary, Carly Elworthy as Treasurer along with Garrett Woods, Miriam Mendez and Megan O'Malley as our Student Council Representatives. We were given just nine short months to apply for college, enjoy all the events that happen during senior year of high school and to form memories that are bound to last a lifetime. Although nine months seems like a long time, it wasn't. We had to decide what path we would take once exiting CHS for the last time, though most of us wanted to walk right back into the front entrance as a freshman again. From August 2015 to May 2016 we attended Senior Hop, placed first in Spirit Week and before we knew it we were sitting in alphabetical order at Central Park receiving our diplomas as a family...the same family that was formed on the first day of freshman year.

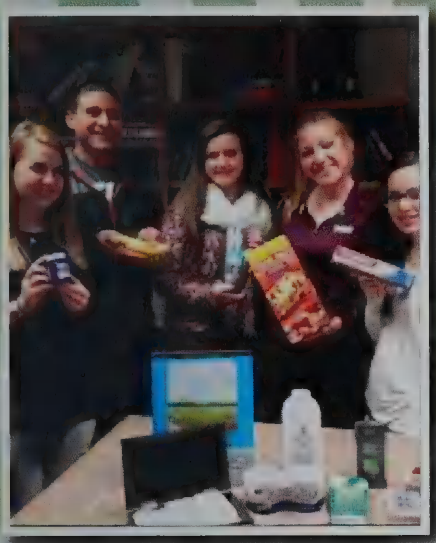
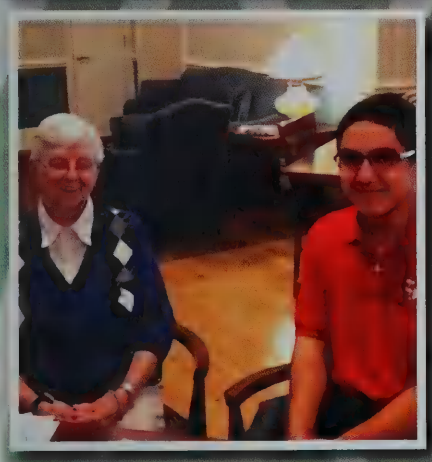
Excel Club

The Clinton High School Excel Club displays loyal help throughout the community with numerous service opportunities. Led by Mrs. Rose Solar and Mr. Terrance Ingano, Superintendent of Schools, the group volunteers at the annual Olde Home Day, the Halloween Walk, Operation Christmas Child, Relay for Life, Daddy-Daughter Dance and the Senior Citizen Social, among other volunteer projects.





Step Up to Excellence

Step Up to Excellence consists of a group of students chosen through a competitive selection process in the fall of their Sophomore Year. Each student is paired with a mentor from the Clinton High School Staff. As a member of Step Up to Excellence students participate in many community service projects, bond through group events, have two summer trips and complete over 90 hours of community service. This year's Step Up graduates are Maria Araujo, Doug Price, Mike Seed and Medjine Seguy. This group traveled around the world while completing their summer programs engaging in community service in Morocco, Costa Rica, and various locations within the United States.

FIRST Robotics

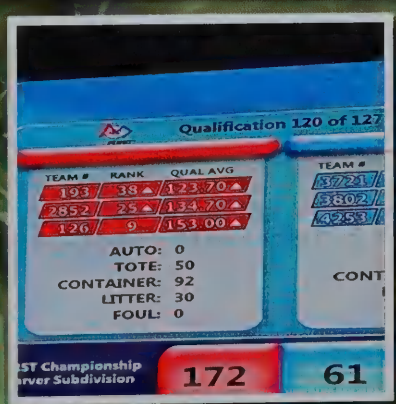
The FIRST Robotics Team celebrated their 25th anniversary this year with another strong season. There are only seven teams of the over 3000 teams participating that have fielded a team for all 25 years of FIRST.

This year's Stronghold Game had the robots maneuvering over and through obstacles (defenses) while attempting to defeat a tower by throwing balls(boulders) into high and low openings. The competition season began in early March at WPI. Gael Force tied for 1st in the seeding rounds but was moved to 2nd on a tie breaker. The team advanced all the way to the semi-finals before losing to the eventual winning alliance. Team 126 received the Judges Award for the simplicity and ruggedness of their robot.

Two weeks later GaelForce traveled to Boston University where it placed 3rd in the seeding rounds of 40 teams. There the team was knocked out in the quarter-finals.

Within two weeks the team was at Hartford for the 64-team New England Regional. There, Gael Force finished as a 6th seed and advanced to the semi-finals. Former Clinton High Teacher and long time mentor to the program, Tom O'Connell received the Woodie Flowers Award for New England.

Ten days after Hartford the team was in St. Louis to compete against 600 of the best teams from around the world. Over a grueling four days the team competed in one of the toughest divisions ever assembled by FIRST. Gael Force ended the year seeded 29th of the 75 teams in their division.



National Honor Society

On May 17, 2016, the National Honor Society Ceremony was held in the Clinton High School auditorium, inducting 1 Junior and 26 Sophomores. Speakers for the evening included Superintendent Terrance Ingano, Principal James Hastings, President of the Rotary Club Mr. Mike Volmar, and NHS Secretary Kate Downing. The four principles of the National Honor Society, Character, Scholarship, Leadership, and Service were symbolized by the lighting of the candles. To elaborate on these four tenets was Renata Nunes, Kaeli Smith, Hannah Villeneuve, and Shail Patel. Pins were presented by Frankie Matos and Maria Araujo and flowers by Hanna Fleming and Brooke Makey. After the ceremony The Rotary Club sponsored a Senior Dinner at the Russian Icon Museum with Mary Pat Heelan as the guest speaker.

ATHLETICS

Put on your big green sweater
with the big gold letter
as we cheer those Clinton Gaels
along.

Through the worst of weather we
will stick together as we sing this
merry song.

All hail the green and gold,
let Clinton's fame unfold

We'll raise the banner to the sky
for the honor of Clinton High!

As we go marching down the field,
we'll hold that line and never yield.

And then we'll fight to heights
untold
for dear ole' Clinton's
Green and Gold!

The 2015 Varsity Football Season was marked with exciting victories and agonizing defeats. A very tough opening game loss to Hudson, followed by a solid victory over Lunenburg and an exhilarating double-overtime win defeating League Champion Tyngsboro. Setbacks at the hands of Oakmont and Littleton were tempered by good team wins at Gardner and Quabbin.

The return of the heated rivalry with neighboring Nashoba was another highlight of the season. Falling in defeat, the Division 5 Gaels put forth a very spirited and intense effort against the eventual Division 2 State Champs. This defeat eliminated The Gaels from play-off consideration.

Following a convincing victory at home against Assabet on Senior Night, the season concluded with a defeat on the road in Auburn and a gut-wrenching last-minute loss to Maynard on Thanksgiving Day.

The 2015 edition of the CHS Galloping Gaels stood tall and proud, as they valiantly confronted adversity in the form of multiple injuries and unforseen circumstances.

From Mom & Dad

Dear Booboo,

Since the day God blessed us in picking us to be your parents, we have been very excited and couldn't wait to meet you. We even took you to Riverside that summer (known as Six Flags now) about 5 times not knowing mom was pregnant and took you on all those rides all night long. When you were born it was one of the happiest moments of our lives. As you started to grow and couldn't stay still, we wondered could it have been the roller coaster rides that made you climb all over mom's aunt as she tried putting you down for your naps? We remember all the times your grandpa held and rocked you to sleep because you had a lot of ear infections since you were two weeks old but he didn't care if he had to sit there all day and all night, he just wanted to take the pain away. Boy, you were one loud baby! That didn't matter, God always watched over you and protected you as he still does today and guides you in your everyday challenges. We have seen you grow into a very strong, intelligent, respectful, loud, noisy, humble, studious, focused on your dreams, and most importantly a young man of God. You have pushed yourself and have worked hard all these years and earned our respect and admiration.

As you now prepare yourself to move to the next chapter in life, NEVER forget who you are and where you came from and most importantly never leave the Lord. Always put God first and everything else will fall into place if it's His will. Continue to make us proud at Harvard and REMEMBER that mom and dad want to retire early in life, so Mr. Booboo, study hard and keep following your dreams.

Love always,
Mom and Dad

I am very proud of you and will forever love you!

Love,
Grandpa (Welo)

One day you're a little boy
With a blankey by your side
Your feet can't reach the pedals
No matter how very hard you tried.

The next day you started first grade
And had the bike thing down ok
Reading, writing and 'rithmatic
Is now your day to day.

Suddenly, you're in high school
And driving your Bat-mobile
Working and Cross Country
This just doesn't feel so real.

Your humor and compassion
That big heart of gold
The curiosity that fuels you
Will break you from my hold.

I hope you know how proud we are
Of the man that you've become
That little boy is all grown up
This man, my boy, my son.

Go out and be successful, Jake
Be the person the world lacks
Success is waiting for you
We love you to the moon and back!
